To Whom It May Concern,

Olivier Djidjelli was a student at Airways Flight Training (Exeter) Ltd. from April - Aug 2012 for his CPL and Modular Instrument Rating Training.

During this period I found Olivier to be a hard working individual who managed to overcome the fact that French is his native tongue. Always very polite trustworthy and reliable he is a competent pilot who would fit in well in a crew environment.

Please contact me if you require any further information.

Yours sincerely
